# iGive.com Online Shopping Donation Program

Shop online at any of more than 2100 stores using the iGive.com app or browser button.
The Society receives a donation based on a percentage of the value of your order.
Learn more about how iGive.com works here.

1. Go to iGive.com and create your free account.
2. Click on the **Choose Cause** button.
3. Choose the **Search by Name** option.
4. Type "Santa Barbara County Genealogical Society" (without the quote marks).
5. Next, scroll to the right, choose the location and click the Search Now button.

6. A new window appears with possible matches in alphabetical order. Scroll way down until you find the Society name and click on it.

# iGive.com Online Shopping Donation Program

**7.** You will be prompted to install the iGive.com button in your browser. This step is optional, but highly recommended. It makes your online shopping easier.

    **a.** Click the **Install Now** button and follow the instructions for your browser.

    **b.** Firefox users will need to use the Addon Gallery to complete this task.
Congrats, your account has been created, you're almost done!

To make sure you never miss out on a possible donation install the iGive Button in your browser.

**Install Now**

*AVG Anti-Virus software users click here for special installation instructions.

**Instructions**

The iGive Button must be installed from the Mozilla Addons Gallery. Click the "Install Now" button above to go to the gallery. At the gallery click the **+ Add to Firefox** button to install the iGive Button.

    **c.** Chrome users will need to go to the Google Chrome App Store to complete the task.
Congrats, your account has been created, you're almost done!

To make sure you never miss out on a possible donation install the iGive Button in your browser.

**Install Now**

*AVG Anti-Virus software users click here for special installation instructions.

**Instructions**

The iGive Button must be installed from the Google Chrome App Store. Click the "Install Now" button above to go to the store, then click the **+ FREE** button to install the iGive Button.

    **d.** Safari 12.0 users may need to enable or activate the button after installation. Instructions are [here](#).

    **e.** Once installed, you will find the iGive icon in the upper right corner of your browser bar. It looks like an inverted umbrella. (See the first page of these instructions.)

**8.** Click on this icon whenever you shop online to locate a participating store. Then shop as normal.
